

# Adelphoi

## Internships

Applications for Summer 2019 internships are due by March 31, 2019.

Please email your resume, cover letter, and an Adelphoi application to [ellie.penatzer@adelphoi.org](mailto:ellie.penatzer@adelphoi.org) to apply for an internship.

### What we need from you for your internship:

- **Completed employment application, resume, cover letter, and references for your interview.**
- **Background check that will clear you being able to work with Children.**
- **Driver's license or a valid form of ID**

### What can you expect as a Youth Counselor Intern?

- Observation of youth counseling techniques.
- Exposure to leading edge programs and therapies.
- Familiarity with managing group sessions.
- Understanding the regulatory environment of care.
- Learn the importance of discipline and routine in changing behavior.
- Insights from practical training not readily available in the classroom.

### What can you expect as a Therapeutic Intern?

- Visualizing how therapeutic techniques are practically applied to youth and families in need.
- Learning how to leverage your graduate degree to work with families and youth in their homes to deliver services that change lives.
- Mentoring by professionals as you learn some of the most highly sought after therapies for children, youth and families.

### What can you expect as an Education Intern?

- Exposure to one of the area's leading educational systems targeting youth who need a supportive environment.
- Familiarity with alternative and special education, some of the fastest growing areas of need.
- Gain general classroom experience that Adelphoi and all school districts seek.
- Support professional teachers and learn how to manage students.
