What is a Shelter/Diagnostic Group Home?

Mon Run is a community-based program for males ages 12 through 18 where youth can receive various levels of diagnostic services and/or shelter care, along with several short term treatment modalities and education.

Shelter Care

Provides a home for male youth, ages 12 to 20, who are in need of emergency placement in a community-based setting. This short-term program meets all of the youth's basic needs by establishing a safe, nurturing environment.

Diagnostic

An evaluative model which can be 14, 28, or 45 days in length, is designed for youth within residential facilities. The Diagnostic Services may include:

- Extensive home-study interview
- Psychiatric evaluation
- Psychological evaluation
- Academic assessment
- Substance abuse screening (and assessment if indicated)
- Sexual issues assessment (including J-SOAP-II, SAI-J, ABEL screen and polygraph assessments when appropriate/indicated)
- Medical information
- Information outlining the youth's behavior during placement as well as his/her receptiveness to various treatment modalities
- The comprehensive, multisystem Child and Adolescent Needs and Strengths (CANS) and The Family Advocacy and Support Tool (FAST) assessment

Program Specifics

Adelphoi embraces a model of trauma-informed care that helps create therapeutic communities that provide safety for both youth and the staff who work with them. Treatment modalities are intended for short term placements and vary based upon length of stay. These modalities include psychiatric services, child management techniques, Motivational Interviewing, a high impact version of Choice Theory Group, individual counseling sessions, and family work to increase engagement.

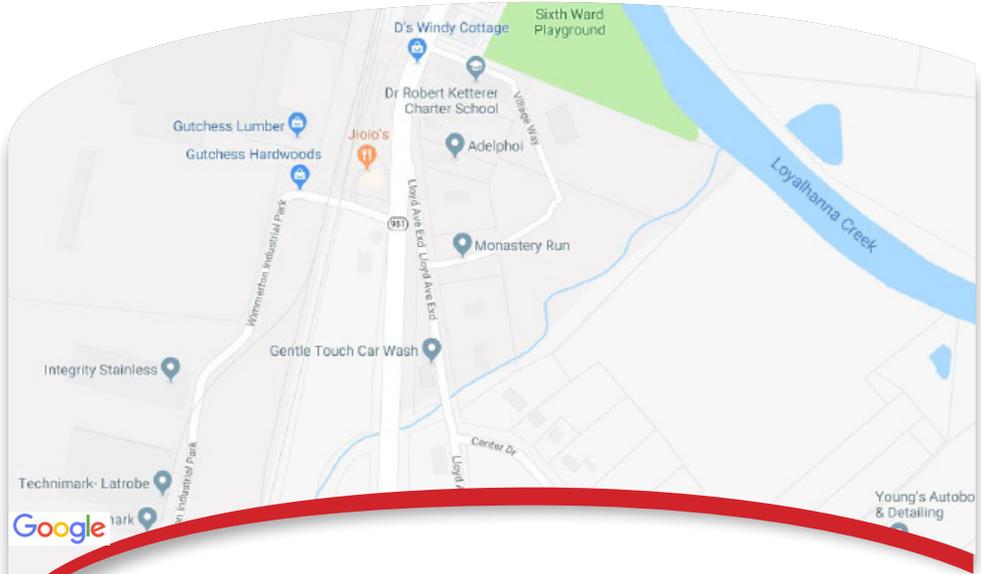

Admission/ Intake Requirements

Individual programs have specific admission requirements. Contact the Director of Admissions for detailed information.

Education

- Youth attend the Adelphoi Ketterer Charter School
- An academic plan is developed to suit each student's ability and educational goals
