## Program Specifics

Adelphoi embraces a model of trauma-informed care that helps create therapeutic communities that provide safety for both youth and the staff who work with them. Margaret Home uses the 12-step principals of Narcotics (NA) and Alcoholics Anonymous (AA). Staff members also utilize Reality Therapy/Choice Theory, Child Management, and Contingency Contracting. Client treatment plans are individualized to meet the specific needs of each youth. Each client has an individual counselor and also participates in group counseling several times per week. Family members are also engaged in the treatment process with the goal of strengthening and educating the family so that the client can successfully reintegrate into the home. Adelphoi also employs a full-time board certified psychiatrist to meet any mental health needs of the clients.

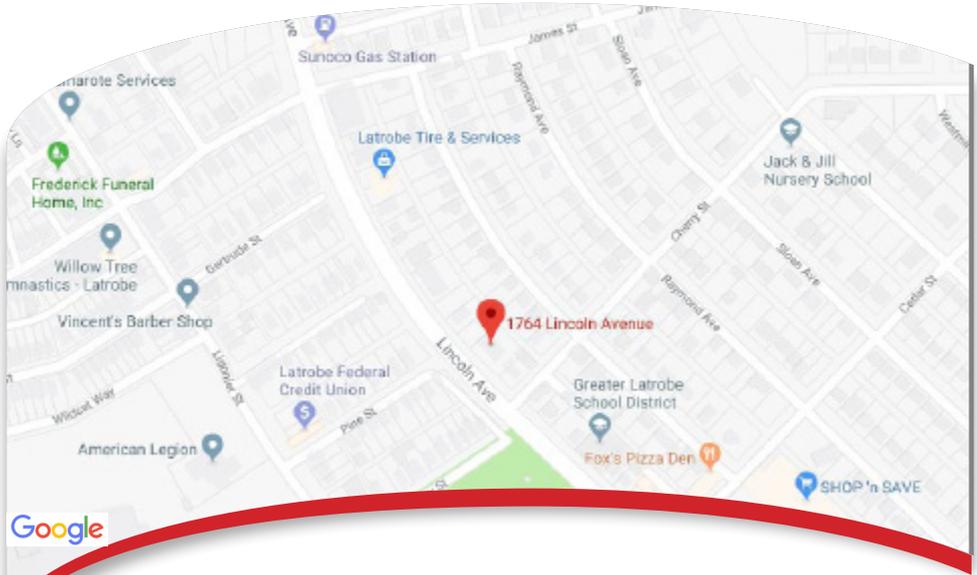

## Education

Educational programming for youth in each group home will be determined pursuant to Section 1306 of the Public School Code (24 P.S. §13-1306) which states that . . . children who are residents of such homes, but not legal residents in such district (shall be permitted) to attend the public schools in said district. An educational team will include membership from the host school district, Dr. Robert Ketterer Charter School or Adelphoi Education, parents or guardians, and teachers from the host school district and the charter school.

## Discharge/Aftercare Planning

Margaret Home works with clients to assist them in developing thorough aftercare plans. Clients have the opportunity to establish a comprehensive support system of caring individuals who will assist them upon discharge. Clients are also set up with outpatient substance abuse counseling in their home communities as well as NA/AA meetings in their home towns.

In the event that the client's home is found to be unsafe/unstable for the client to return, Adelphoi offers an extensive continuum of services to meet the needs of any child, including Specialized Independent Living facilities, Foster Care programs, and Multisystemic Therapy (MST).
