Trauma Informed

Adelphoi takes pride in the fact we are Trauma Informed and provide treatment to youth and families for Trauma and PTSD in both our residential and community based settings. We provide various levels of training to our all of our staff across the continuum on trauma, trauma informed care and PTSD treatment. Our foster parents and foster care staff are specially trained in Trauma Systems Therapy for Foster Parents.

Custom Services

Adelphoi has a continuum that supports permanency for youth in care and acts as a foundation for us to be able to meet the unique needs of our stakeholders. From Community Based to Residential Services, we are well positioned to meet the needs of youth and families we serve.
