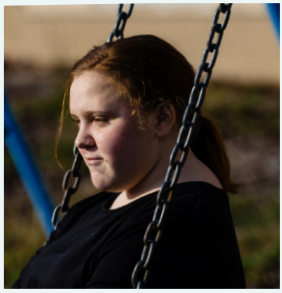
Adelphoi Education at Beaver



The program is licensed as a Private Academic School (grades 1-8) and offers a structured and supportive environment for students needing extra academic and emotional support. It addresses behavioral and emotional challenges that affect learning, providing treatment for those who require emotional support or have experienced trau-

The Emotional Support Program

The Emotional Support Program provides temporary placement for students in grades K-8, helping them successfully transition back to their home schools. A licensed mental health professional offers on-site therapy, using DSM-5 assessments to create individualized treatment plans based on the student's needs and IEP. Interventions include Cognitive Behavioral Therapy, Dialectical Behavioral Therapy, stress reduction, and social skills development, all through a trauma-informed approach. Family engagement and collaboration with other service providers are essential to the program's success.

Career Readiness Program

Chapter 339 of the Pennsylvania School Code mandates that all school districts in the Commonwealth have a comprehensive, sequential program of guidance services, which stresses career and future readiness; Kindergarten through Grade 12.

AEI at Beaver's components of Career Readiness Indicators:

- Ensure all students have access to career exploration and preparation activities.
- Includes activities that are standards-aligned and evidence-based.
- Includes the development of career plans and portfolios to identify pathways and opportunities for post-secondary success.

Criteria for Enrollment

Intake criteria are developed in collaboration with the referring school district. Students referred must have in Individual Education Plan and exhibit difficulties in the public school setting due to a variety of reasons, including but not limited to emotional support needs, disruptive behavior, and truancy concerns. Upon referral, an intake meeting will be held with the student, their family, and any support services in place for the student. Other participants include Classroom Teachers, School Based Mental Health Therapist, and Administrative Staff. A decision will be made regarding enrollment at the conclusion of the meeting and communicated with the home district and family if the student is a good fit for the program. Student success relies heavily on a collaborative effort of the team, including family cooperation and input.
