Adelphoi

Adelphoi Promise

Adelphoi Promise

Adelphoi youth face many challenges while in placement. Even more daunting, however, are the challenges they face once they leave our programs. Key to a youth's success after discharge is being able to obtain the vocational skills and education necessary to secure employment after graduation.

In order to help youth achieve a better future for themselves, Adelphoi has launched the Adelphoi Promise. The Adelphoi Promise is an initiative that will facilitate college enrollment and subsequent graduation for current and former Adelphoi youth. The program offers three tiers of assistance: financial support, life skills support, and academic support. Combined, these three facets will provide the best chance for at-risk youth to achieve post-secondary success.

Adelphoi Offers current and former Adelphoi Youth the following:

- Associate's Degree/Certificate at home community college
- Financial assistance for books
- Refurbished laptop computer, when applicable
- Guidance and support

Support

The Adelphoi Promise is more than just financial assistance – it offers a firm hand to guide youth through the process of making post-secondary education a reality. Adelphoi employs a dedicated Adelphoi Promise administrator to help youth navigate the educational system. This administrator can assist in identifying a preferred area of study, filling out college applications and financial aid forms, scheduling placement exams, and overcoming obstacles to education such as transportation, books and tuition costs. The administrator also works to engage the youth's family in the process of educational fulfillment in order to increase the chances of success for the youth

1,500
kids served daily

3,143
