Education

Educational programming for youth in each group home will be determined pursuant to Section 1306 of the Public School Code (24 P.S. §13-1306) which states that ... children who are residents of such homes, but not legal residents in such district (shall be permitted) to attend the public schools in said district.

An educational team will include membership from the host school district, Ketterer Charter School or Adelphoi Education, parents or guardians, and teachers from the host school district and the charter school.

An academic plan is tailored to each student's abilities and educational goals.
