FOR IMMEDIATE RELEASE

Adelphoi to Celebrate Resilience and Impact at 2025 Spirit of Hope Event

LATROBE, Pa. -- Adelphoi will host its annual Spirit of Hope Celebration on Thursday, June 26, at the Adelphoi Youth & Family Center in Latrobe. The evening event honors individuals whose lives and work reflect the strength, transformation, and hope that define Adelphoi's mission.

This year's Spirit of Hope Award will be presented to Ralph Liberatore, a longtime supporter and board member whose dedication has advanced Adelphoi's ability to provide outcome-based treatment for youth and families. Prior to his retirement, Ralph served as the Founder and President of Three Rivers Orthopedic and Spine Products.

Andrew Detwiler, a former Adelphoi youth who has shown exceptional resilience and success since his placement, will receive the Distinguished Alumni Award.

The evening will feature a welcoming reception with wine, hors d'oeuvres, and a video showcasing the impact of the Donna Liberatore Memorial Activities Fund. The event will also include an interactive art exhibit created by Adelphoi youth. Guests will then gather for a program honoring the awardees, followed by an outdoor dessert reception on the Campus Green.

"Youth find strength and direction when they're given the right support, tools, and resources," said Adelphoi CEO Nancy Kukovich. "This celebration not only recognizes Ralph and Andrew, but also uplifts the stories of all those who grow in resilience through our programs."

About Adelphoi

Adelphoi delivers outcome-based treatment and services for at-risk youth and their families through a continuum of care that includes residential programs, education, foster care, and in-home services. Based in Latrobe, Adelphoi serves more than 3,000 youth annually across Pennsylvania.
